

PUTNEY & WOOD LTD

The Stonework Contractor | Contemporary | Traditional

PROJECT PROFILE: 10 Hammersmith Grove, London, W6

- **Client:** Development Securities plc
- **Architect:** Flanagan Lawrence
- **Main Contractor:** Wates Construction
- **Stone used:** Travertine
- **Value:** £123,000
- **Completed:** July 2013
- **Contract duration:** 12 weeks
- **Scope of work:** Internal travertine flooring

This new development in the heart of Hammersmith, West London has created 110,047 sq ft of grade 'A' office space with a BREEAM rated 'Excellent' rating.

Putney & Wood was awarded the contract to supply and install the travertine reception stone flooring and nine lift lobbies by main contractor Wates. The 600 x 400 mm tiles were laid in a broken-bond pattern on thin bed adhesive to create a classical floor with warm neutral tones.

"Putney & Wood were professional and courteous throughout. The end product is excellent and we would be happy to work with them again"

Dominic Hattie – Wates
