

Corporate Responsibility Policy Statement

At Putney & Wood Limited we recognize our responsibility to the key stakeholders involved in our business operations, i.e. our customer, suppliers, employees and the local communities where we work. We continually strive to balance the operations of our business with needs of our stakeholders and to ensure our work does not negatively impact the interests of our key stakeholders.

As our core business involves the procurement of natural stone we recognize that the natural environment supports our business and we are committed to responsible sourcing at every level of our business. We are also committed to trading with ethical stone suppliers that, where applicable, conform to the Ethical Trading Initiatives (ETI) Base Code, SA8000: 2014 - Social Accountability Certificate, BES 6001 or similar independent accreditations.

Our Corporate Responsibility commitments are further explained in the following documents which are regularly monitored and, when required, updated by the Directors: -

- Anti-Bribery and Corruption Policy
- Ethical Policy
- Quality Policy
- Environmental Policy
- Health and Safety Policy
- Equality and Diversity Policy
- Smoke-free Policy
- Anti-Slavery and Human Trafficking Policy
